

West Linn Wild 5 & 10 Mile Race - walk or run

Join us for this inaugural event that runs through the streets and trails of West Linn and Lake Oswego. Enjoy gorgeous views of the Willamette River as you challenge yourself to the mixed terrain of this new and exciting course. Expect tough climbs and fast descents on the trails and roads between West Linn and Lake Oswego. You can choose between the 5 mile course or go for broke and run the 10 mile course. Both courses are well supported, fun, and challenging.

The West Linn Wild is partnering with Three Rivers Land Conservancy in their efforts to complete the running and walking trail between Carriage Way and Lucher Farm on Rosemont Road. A portion of the proceeds from this race will go towards their amazing efforts. You may also purchase a brick that will be placed in the area around the Kiosk on the new trail with your name, your company name, or honoring someone you love for only \$100. You may also add a donation that will go directly to this great cause on your entry form. Download the printable Brick Entry Form [here](#).
